WELCOME TO **SUN STONE PVT. LTD.**

SUN STONE PVT. LTD. is a leading manufacturer of high-quality quartz slabs for residential and commercial applications. Our products are made from premium quality raw materials and are engineered to withstand daily wear and tear, making them an excellent choice for kitchen countertops, bathroom vanities, and other surfaces. We have a wide range of color and design options to choose from, and our products are backed by a lifetime warranty. Our state-of-the-art manufacturing facility ensures consistent quality and timely delivery.

ZODIAC-YELLOW

Zodiac Quartz is one of the best natural stones for interiors due to its unique blend of durability and aesthetic appeal. Its rich and varied patterns give each piece a distinctive character, making it an ideal choice for those looking to add a touch of elegance to their living spaces. With its high-quality composition and timeless beauty, Zodiac Marble is a top choice for designers and homeowners alike.

Available Colours

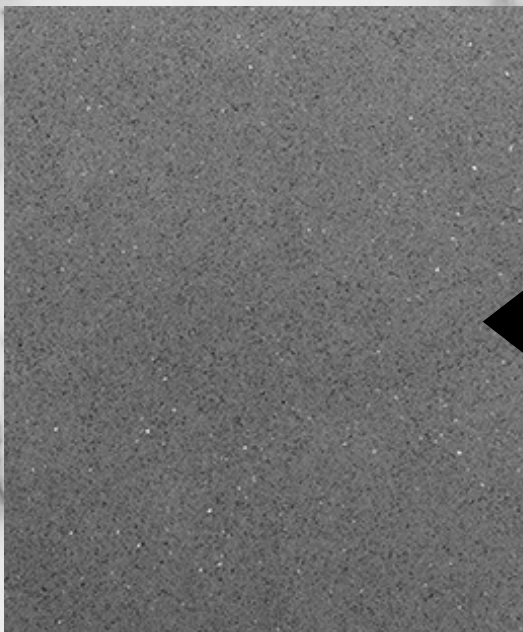

BARSHA-PEARL

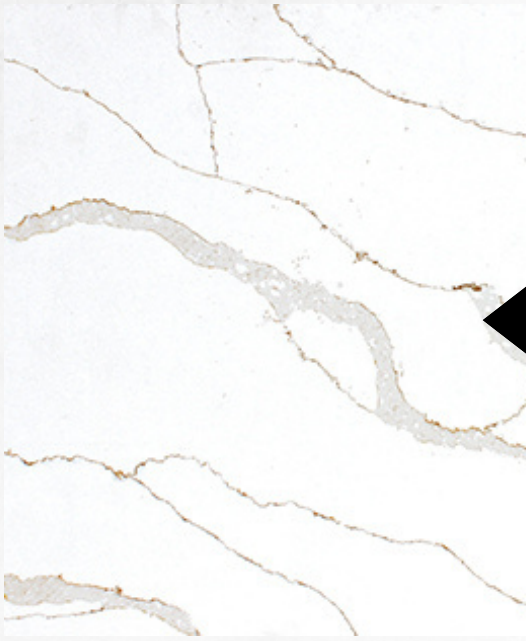

Barsha Quartz is the best because of its prime location, luxurious amenities, and stunning views. It offers residents a premium living experience with spacious apartments, state-of-the-art facilities, and panoramic views of the city skyline and Arabian Gulf. Its proximity to major attractions and easy access to transportation make it a highly desirable place to live.

CRISTAL-GREY

Crystal Quartz is highly valued for its stunning translucent appearance and unique crystalline texture. Its inherent durability and resistance to heat and scratches make it an ideal choice for use in high-traffic areas such as floors and countertops. Additionally, its timeless beauty and ability to complement any design style make it a popular choice for both modern and traditional interiors.

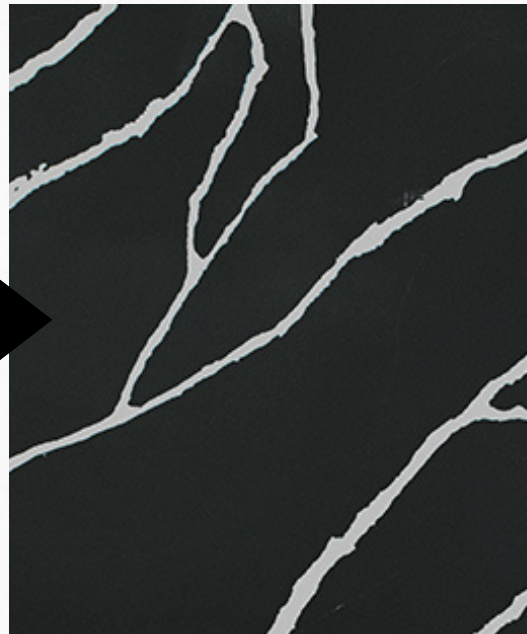

CALACATTA-CLASSIC

Calacatta Classic Quartz is considered one of the most prestigious and luxurious natural stones available. Its stunning white background and bold, gray veining make it a highly sought-after choice for high-end residential and commercial projects. Its beauty, durability, and rarity make it one of the best choices for creating a timeless and sophisticated design.

NERO-MARQUINA

Nero Marquina Quartz is highly sought-after for its luxurious appearance and durability. Its deep black color, accented by stark white veins, creates a striking contrast that adds elegance to any space. This marble's density and low porosity make it resistant to stains, scratches, and erosion, ensuring its longevity and durability.

RIVIERA

Riviera Quartz is considered the best due to its exceptional quality, unique texture, and beautiful colors. Its durability and resistance to stains and scratches make it a popular choice for both residential and commercial projects. Additionally, its luxurious appearance adds a touch of elegance to any space.
